## *New Testament Restoration Foundation*

*Searching For The New Testament Church*-A six tape audio cassette series dealing with the Lord's Supper, participatory meetings, house churches, apostolic tradition, church government, church discipline, etc. Great for listening to while in the car. Production cost: \$10.00

*The Practice of the Early Church*-A self study theological workbook designed to help you work through the various Scriptures related to God's design for His church. Production cost: \$3.50

*Equipping Manual*-A one year course that covers the basics of Christianity. Includes how to study the Bible, the Gospel, evangelism, an overview of the Bible, how we got our Bible, inerrancy, predestination, and the church. Comes complete with teacher's guide and student's lessons. Production cost: \$10.00

All materials are offered free of charge. No donations are expected. Production costs are included simply as an aid for those inclined to help underwrite our expenses.
